Jaime:

Attached is a list of residents of West Calumet as of today's date (August 9, 2016).

Note that:

- column H lists residents' ages
- column B lists head of household, with address on the same row in column L
- column C lists household members, including minors.

Hopefully you have someone who can sort the data and make it useful to you quickly.

Dr. Motria Caudill from the ATSDR is working on blood lead testing data she's getting from the ISDH (which includes the results of the tests performed by the EC Health department). I forwarded you her most recent email yesterday.

Thanks,

Carla
